1. Families and Communities Program: Volunteer Grants processes

The Families and Communities Program is designed to achieve Australian Government objectives

This grant opportunity is part of the above grant program that contributes to the Department of Social Services' Outcome 2. The Department of Social Services works with stakeholders to plan and design the grant program according to the [Commonwealth Grants Rules and Guidelines 2017](#) (CGRGs).

Expressions of Interest

Federal Members of Parliament (MPs) will consult their local community and seek Expressions of Interest from eligible organisations.

The nomination period opens

MPs will establish a community committee or consult with an existing committee to assist them in identifying potential projects and organisations that strengthen community functioning by increasing participation in volunteering. MPs will then nominate endorsed projects/organisations including the level of funding to be applied for in accordance with recommendations from the committee.

The grant opportunity opens

The Community Grants Hub will invite nominated organisations to submit an application online. The Grant Opportunity Guidelines are published on [GrantConnect](#).

Invited applicants complete and submit a grant application

You complete the application form and address all of the eligibility and assessment criteria to be considered for a grant.

Grant applications are assessed by the Department of Social Services

Applications are assessed for completeness and against eligibility and selection criteria including an overall consideration of value with money.

We make grant recommendations

Advice is provided to the departmental decision maker on the merits of each application.

Grant decisions are made

The decision maker decides which applications are successful.

Notification of the outcome

Your MP will advise you of the outcome of your application and the department will then provide written confirmation.

Enter into a grant agreement

We enter into a grant agreement with you if successful. The type of grant agreement is based on the nature or complexity of the grant and is proportional to the risks involved.

Delivery of grant

You undertake the grant activity as set out in your grant agreement. The Department of Social Services administers the grant by working with you, monitoring your progress and making payments.

Evaluation of the 2022–23 Volunteer Grants round

The Department of Social Services will evaluate your specific grant activity and the 2022–23 Volunteer Grants round as a whole. We base this on information you provide us and that we collect from various sources.

1.1 Introduction

These guidelines contain information for the 2022–23 Volunteer Grants round.

You must read these guidelines before filling out an application.

This document sets out:

- the purpose of the grant program/grant opportunity
- the eligibility and assessment criteria
- how grant applications are considered and selected
- how grantees are notified and receive grant payments
- how grantees will be monitored and evaluated
- responsibilities and expectations in relation to the opportunity.

This grant opportunity and process will be administered by the Community Grants Hub on behalf of the Department of Social Services (the department).

2. About the grant program

The Volunteer Grants Activity is an element of the Families and Communities Program, which aims to strengthen relationships, support families, improve wellbeing of children and young people, reduce the cost of family breakdown and strengthen family and community functioning.

The objectives of Volunteer Grants are to:

- help community organisations to support the efforts of Australia's volunteers
- help community organisations to support the inclusion of vulnerable people through volunteering
- encourage, support and increase participation in volunteering.

The intended outcome of the activity is to strengthen community functioning by increasing participation in volunteering.

This grant opportunity will be undertaken in accordance with the [Commonwealth Grants Rules and Guidelines 2017](#) (CGRGs).

2.1 Community consultation and the role of the Members of Parliament

Volunteer Grants support the work of local community organisations by enabling the inclusion of vulnerable people and promoting awareness to increase participation in volunteering.

Federal Members of Parliament contribute their knowledge of local needs to the process while providing a mechanism for distributing funds evenly across the country.

Expressions of Interest (EOIs) will open with your local Federal Member of Parliament (MP) in August 2022.

To ensure that community needs are a key focus, each MP will call for EOIs and must consult with a new or existing community committee, such as those used in the Stronger Communities Program (administered by the Department of Infrastructure, Transport, Regional Development and Communications) to identify local volunteer needs and consider potential applicants in their electorate. The committee must develop a list of organisations that address those needs.

MPs will then nominate eligible organisations from the list and endorse the level of funding to be applied for, in accordance with the recommendations of the committee.

The department supports the MP nomination process by providing guidance documentation to MPs outlining their role in the selection process, eligibility requirements and their obligations under the CGRGs. The grant eligibility criteria set out in these Grant Opportunity Guidelines also provide principles to guide MP nomination considerations. For example, the eligibility criteria state that organisations must be not-for-profit and have a minimum of 40% of volunteers in their workplace to be eligible for nomination. MP briefings are also provided, prior to the opening of the EOIs. A dedicated helpdesk has also been established to support MPs through the nomination process.

Nominations must be submitted by 7 October 2022 for up to a total of \$66,225 per electorate.

Only organisations nominated by their Federal MP will be invited to submit an application by the closing date.

Applicants will not be able to apply for more funding than the amount that has been endorsed by their MP.

Part funding of an application may occur in order to fully exhaust the funding cap available in each electorate.

In addition to the priority nominations totalling no more than \$66,225, electorates are invited to submit up to 5 non-priority nominations, which will be considered by the department in the event that additional funds become available. The department will contact the electorate office to confirm which organisations will be invited from the priority and non-priority lists prior to inviting organisations to apply.

Community organisations that do not participate in this EOI process will not be able to apply for a Volunteer Grant. MPs will notify applicants of the outcomes of this EOI process.

The nomination period may be extended due to exceptional circumstances such as pandemics and natural disasters. All other extension requests will be considered on a case-by-case basis.

Nomination and endorsement by your Federal MP and community committee and subsequent invitation to apply for a Volunteer Grant does not guarantee that your application will be successful.

3. Grant amount and grant period

3.1 Grant period

For this grant opportunity, \$10 million is available in 2022–23.

Grants of between \$1,000 and \$5,000 are available to eligible not-for-profit community organisations. This funding is to be used to:

- purchase eligible small equipment items for use by volunteers
- contribute to volunteers' fuel costs, during the course of their volunteer work
- contribute to transport costs for volunteers with disability who are unable to drive
- assist with the cost of training courses for volunteers
- undertake background screening checks for volunteers
- conduct activities to promote awareness of, and increase participating in volunteering opportunities
- adapt practises to support volunteers' safety in the current pandemic environment.

You must spend the grant funding within the 2022–23 Volunteer Grants activity period, which commences on execution of the agreement and concludes on 30 June 2024.

You must incur the expenditure on your grant between the start date and the end date of the Activity Period, outlined in your grant agreement, for the expenditure to be eligible.

Grant extensions

If it is likely that your organisation will not be able to spend the grant monies within the grant period, you must seek an extension before the expiry of the grant period on 30 June 2024. This may occur, for example, when an item has been ordered and there has been unavoidable delivery delays.

Extension requests must be submitted in writing to the Community Grants Hub at support@communitygrants.gov.au

4. Eligibility criteria

We cannot consider your application if you do not satisfy all eligibility criteria. The decision maker can choose to waive the eligibility criteria below in circumstances where the application meets the intent of the program and would otherwise be eligible.

The Minister for Families and Social Services has agreed to an electorate-based, closed, non-competitive process. The process involves inviting identified applicants to apply and assessing applications against the selection criteria on their own merits and not against other applications.

MPs will be supported by a community committee to assist with identifying local needs and eligible organisations.

4.1 Who is eligible to apply for a grant?

To be eligible to apply you must be an organisation that has been nominated by your Federal MP, receive an invitation to apply through GrantConnect **and**:

- be a legal entity
- or**
- be an unincorporated association that agrees to the primary contact on your application entering into an agreement on behalf of the Unincorporated Association. This means that if your grant application is approved, the primary contact will assume all legal liability and become personally liable for the delivery of the funded activity, expenditure of funds and any other associated obligations arising from the grant agreement validly executed
- and**
- have a minimum of 40% of volunteers working for your organisation
- be a not-for-profit organisation
- have an Australian Business Number (ABN) or be willing to provide a [Statement by Supplier Form](#) (reason for not quoting an ABN). Please refer to the [Australian Tax Office](#) website for further information
- have an account with an Australian financial institution in the name of the organisation applying.

To be eligible you must be one of the following entity types:

- Indigenous Corporation
- Company¹
- Corporate State or Territory Entity
- non-corporate State or Territory Entity
- non-corporate State or Territory Statutory Authority
- Cooperative
- Incorporated Association
- Statutory Entity and
- be willing and legally able to enter into a grant agreement with the Commonwealth (refer to section 10.1).

NOTE: If you apply as a legal entity and are found, through compliance checks, to be an unincorporated organisation, you will be contacted. You will be asked to confirm that either the first or second contact on the application form, or an alternative person connected to your organisation, are legally authorised and willing to assume legal liability. This contact will become personally liable for the delivery of the funded activity, expenditure of funds and any other associated obligations arising from the grant agreement validly executed on behalf of the organisation. Alternatively, you will be given the option to withdraw from the grant opportunity.

If you are applying as a Trustee on behalf of a Trust, the Trustee must be an eligible entity as listed above. You may be required to provide evidence of your entity type.

¹ Company is a company incorporated under the *Corporations Act 2001* (Cth)

An organisation can only apply for one Volunteer Grant. Where an organisation works across more than one electorate, and has been nominated by more than one MP, it can only apply for a Volunteer Grant in one electorate.

Local branches of larger umbrella organisations (for example, Scouts Australia, St John Ambulance Australia) are considered to be organisations in their own right, for the purposes of one application per organisation. For example, 2 different St Johns Ambulance sub-branches located and operating in different areas and operating as entities in their own right are considered organisations in their own right. Both organisations can be approved for a Volunteer Grant if invited by their MP and the other eligibility criteria is satisfied.

4.2 Who is not eligible to apply for a grant?

You are not eligible to apply if you are not nominated by your MP **or are:**

- an organisation, or your project partner is an organisation, included on the [National Redress Scheme](#)'s website on the list of 'Institutions that have not joined or signified their intent to join the Scheme'
- an organisation, or your project partner is an organisation, included on the [Workplace Gender Equality Agency](#) website on the non-compliant organisations list.

You are not eligible to apply for this grant opportunity if you have not received an invitation to apply through GrantConnect and are not listed as an eligible invited organisation at section 4.1.

4.3 Unincorporated Associations

Non-legal entities such as an Unincorporated Association may be able to receive funding where an individual associated with the organisation (usually the primary contact on the application form) is willing to enter into the agreement and personally assume the legal liability on behalf of the Unincorporated Association.

As the legally authorised person acting on behalf of the Unincorporated Association, you will assume all legal responsibility and become personally liable for the delivery of the funded activity, expenditure of funds and any other associated obligations arising from the executed grant agreement.

In this instance, the organisation will be required to provide the contact details of 2 members who can provide verbal assurance if required, that the individual applying will be the responsible person for the legal liability. The grant agreement will be entered into with the individual on behalf of an Unincorporated Association. The bank account provided must be in the name of the organisation not the individual.

5. What the grant money can be used for

5.1 Eligible grant activities

Small equipment items can make a volunteer's work easier, safer and more enjoyable. They can also help volunteers keep up with changing technology by supporting volunteers to access digital and electronic equipment.

Eligible small equipment

Small equipment items must be portable, tangible and purchased for the direct benefit of volunteers. They should represent value for money and can include delivery/freight and set-up costs.

Transport costs of volunteers with disability

Volunteers with disability who cannot drive can be reimbursed for the cost of transport or be provided with pre-paid travel cards for use while undertaking their volunteering work. This transport includes taxis and public transport (pre-paid travel cards are acceptable).

Fuel costs incurred by volunteers

Eligible fuel costs are costs associated with volunteers using their own cars during the course of their volunteering work. Volunteers can be reimbursed for the cost of the petrol or provided with pre-paid petrol cards. This includes fuel used travelling to and from the point of volunteering and whilst volunteering, for example, delivering food and helping people in need. Fuel costs that are eligible include all motor vehicle fuels including petrol, diesel and gas.

Training for volunteers

Funding can be used to support the costs of training to help volunteers learn new skills, or gain qualifications for their volunteering work. Training courses may include mental health, first aid, leadership, communication, governance and/or working with vulnerable people. Courses that are recognised and lead to a Statement of Attainment, Certificate or Diploma are preferred.

Background screening checks of volunteers

Funding is available to help with the cost of background screening checks of volunteers. These include criminal record checks, police checks and police certificates, Working With Children Checks and Working With Vulnerable People Checks.

Promoting awareness of and increasing participation in volunteering opportunities

Funding can be used to support re-engagement of volunteers once programs can recommence safely. Activities can also be run that are specifically targeted towards recruiting new volunteers.

Adapting practices to support volunteers' safety in the coronavirus pandemic environment

Funding is available for resources to adapt policies and procedures for volunteering programs to allow volunteers to operate safely for example, signage, protective screens.

5.2 Eligible locations

Funding totalling \$66,225 (GST exclusive) will be available in each federal electorate.

5.3 Eligible expenditure

Grant funding can only be used for eligible items that benefit the volunteer. Grant applicants should ensure that the funding is used to pay for items that are cost-effective and reasonably priced.

Where the grant money is used to purchase equipment that may require installation, the cost of installation is an eligible expenditure.

Appendix A outlines the categories of items and examples of eligible items that are usually purchased within that category. The examples are only a guide to help you select the right category. If a specific item is not listed, select the category that most closely matches the item to be purchased. Examples of items that are not eligible are shown in section 5.4.

Record keeping requirements

If your application is successful, you must keep the receipts for items that you have purchased for 5 years. This will be the proof of purchase needed if you are requested to acquit your grant, as detailed in section 12.2.

You must incur the expenditure on your grant between the start date and the end date of the activity period, outlined in your grant agreement, for the expenditure to be eligible.

All grant funds are to be used for activities which take place in Australia.

5.4 What the grant money cannot be used for

You cannot use the grant for:

- items that do not directly benefit the organisation's volunteers
- items that are already paid for by other sources for example, state/territory governments, community groups
- items that are for the organisation's paid staff or for members or participants that are not volunteers of the organisation
- advertising, logos, banners, display boards, uniforms (unless solely for the volunteers), badging, or other things that advertise your organisation/community group unless such advertising is directly related to raising awareness of volunteering opportunities available, or re-engaging volunteers
- administration costs such as leasing, rental, hiring, labour, utilities, insurance and travel
- fees, charges, and subscriptions
- service charges, extended warranties and other labour costs
- conferences, events and functions for the organisation – these items will be allowed if directly benefitting the volunteer, for example, training or recruitment and must not include food or accommodation costs
- hospitality costs
- purchase of vehicles and powered boats
- buildings, renovations and permanent fixtures – plumbing, kitchens, hot water systems, permanent fencing
- window coverings (such as curtains and awnings) and floor coverings
- consumable supplies – food, stationery (such as paper and folders), cleaning products (apart from sanitising products for personal or surface use), ink, toners, soil, refilling of gas bottles
- gift cards (with the exception of pre-paid fuel cards).

6. The assessment criteria

The department will compliance check and assess your application on its own merits and consider the following criteria:

- the extent to which the project meets the objectives of the program
- whether the project demonstrates value for money.

Value with relevant money is the principle under which grants are considered to be a proper use of public resources, as per section 2.2 of the CGRGs. Under the CGRGs, value for money is determined by considering the relative value of the grant sought, as well as the effectiveness of the proposed grant activities in supporting the objectives of the Volunteer Grants program. Also considered is the extent to which the geographic location or activities of the organisation matches the organisation's identified priorities in the grant application. Assessing value for money in

providing grant funding involves consideration by the department as to whether the expended funds will be used efficiently, effectively, economically and ethically under the CGRGs and the Volunteer Grants Opportunity Guidelines.

You must indicate in your application what category/categories of items you wish to purchase to support your volunteers.

Your response must also include details on the percentage of volunteers to other staff that work at your organisation, the type of services your organisation provides to the community, and how the eligible items will **directly benefit your volunteer** workers and the community more broadly.

The department may seek and consider additional information about you or your application. They may do this from within the Commonwealth, including through Federal MPs. This may also include information about you or your application that is available through the normal course of business. Information collected by the department may be used in assessment and compliance checking of your application.

7. How to apply

Before applying, you should read and understand these guidelines and the sample grant agreement published on [GrantConnect](#). Any changes to the grant documentation will be published as an addendum on GrantConnect. To be automatically notified of any changes you can register on GrantConnect.

You can only submit one application for this grant.

Where an organisation applies across multiple electorates, only the first application received will be considered for a Volunteer Grant.

Where an organisation applies more than once in the same electorate, only the last application received will be considered for a Volunteer Grant.

Expressions of Interest (EOIs) will open with your local Federal Member of Parliament (MP) in August 2022.

To apply, your organisation must be nominated by your local Federal MP, who will also indicate the level of funding your organisation has been endorsed for. Once your organisation is nominated you must:

- complete the online application form once you receive the invitation via GrantConnect.
- be an authorised signatory for the nominated organisation (for example, president, chairperson, treasurer, secretary)
- provide contact details of an individual associated with your organisation who has agreed to enter into an agreement on your behalf and assume legal liability if you are applying as an unincorporated association
- provide all the information requested
- address all questions in the application form
- submit your application to the Community Grants Hub by **9:00 pm AEDT 5 December 2022**.

Only applicants invited to apply can submit an application, you must not forward the invitation link to anyone else.

The application period may be extended due to exceptional circumstances such as pandemics and natural disasters. All other extension requests will be considered on a case-by-case basis.

A nomination to submit an application by your MP does not guarantee that your application will be successful.

The department will not provide application forms or accept applications for this grant opportunity by fax or mail.

The application form includes help information. You are responsible for making sure your application is complete and accurate. Giving false or misleading information is a serious offence under the [Criminal Code Act 1995](#) and the department will investigate any false or misleading information and may exclude your application from further consideration.

If you need further guidance around the application process, or if you are unable to submit an application online, contact support@communitygrants.gov.au or by calling 1800 020 283 (option 1).

You cannot change your application after the closing date and time.

If we find an error or something missing we may ask you for clarification or additional information. This will not change the nature of your application; however, we can refuse to accept any additional information from you that would change your application after the closing time.

You should keep a copy of your application and any supporting documents. You will receive an automated notification acknowledging the receipt of your application.

7.1 Timing of grant opportunity processes

You must submit an application between the published opening and closing dates.

Late applications

We will not accept late applications unless an applicant has experienced exceptional circumstances that prevent the submission of the application. Broadly, exceptional circumstances are events characterised by one or more of the following:

- reasonably unforeseeable
- beyond the applicant's control
- unable to be managed or resolved within the application period.

Exceptional circumstances will be considered on their merits and in accordance with probity principles.

How to lodge a late application

Applicants seeking to submit a late application will be required to submit an email request to the Community Grants Hub via support@communitygrants.gov.au

The Community Grants Hub will send a link to the late application form which must be submitted by 5:00 pm AEDT on 12 December 2022 being 5 business days after the grant opportunity has closed.

The late application form should include a detailed explanation of the circumstances that prevented the application being submitted prior to the closing time. Where appropriate, supporting evidence can be provided to verify the claim of exceptional circumstances.

All late applications will be considered; however, the decision maker or their appointed representative will determine whether a late application will be accepted. The decision of the decision maker will be final and not be subject to a review or appeals process.

No late applications will be accepted or considered after 12 December 2022.

8. The grant selection process

8.1 Assessment of grant applications

The department will assess your application on its own merits and for completeness and against all the eligibility criteria detailed in the guidelines.

If the selection process identifies unintentional errors in your application, you may be contacted to correct or clarify the information.

To be recommended for funding, your project must meet the selection criteria, the objectives of the program, and demonstrate it will achieve value for money.

The department may seek and consider additional information about you or your application. They may do this from within the Commonwealth, including through Federal MPs. The department may also consider information about you or your application that is available through the normal course of business.

8.2 Who will assess and select applications?

The department will assess each eligible and compliant application on its own merit and against the selection criteria. Individual assessments of applications identified as eligible for the grant are conducted by departmental personnel, who will undertake training to ensure consistent assessment of all applications.

The department uses this information to help them develop recommendations on applications to be awarded a grant.

8.3 Who will approve grants?

The delegate (a departmental executive) will make the final decision to approve a grant.

The delegate's decision is final in all matters, including:

- the approval of applications for funding
- the amount of grant funding awarded
- the terms and conditions of funding.

The delegate will not approve funding if:

- the application is ineligible according to these guidelines
- the application does not achieve value with relevant money
- an organisation, or project partner is an organisation, included on the [National Redress Scheme's website](#) on the list of 'Institutions that have not joined or signified their intent to join the Scheme'
- an organisation, or your project partner is an organisation, included on the [Workplace Gender Equality Agency](#) website on the non-compliant organisations list
- the application is not considered an appropriate use of Commonwealth resources.

There is no appeal process regarding decisions to approve or not approve a Volunteer Grant.

9. Notification of application outcomes

If you are successful, you will receive an email notification from your Federal MP and a Letter of Agreement from the department via email. If you are unsuccessful, you will be notified in writing via email.

9.1 Feedback on your application

A Feedback Summary will be published on the Community Grants Hub website to provide all organisations with easy access to information about the grant selection process and the main strengths and areas for improving applications.

Individual feedback will not be provided for this grant opportunity.

10. Successful grant applications

10.1 The grant agreement

You must enter into a legally binding grant agreement with the Commonwealth represented by the Community Grants Hub. We will offer successful applicants a Letter of Agreement for this grant opportunity.

Each agreement has general/standard grant conditions that cannot be changed. Sample grant agreements are available on [GrantConnect](#) as part of the grant documentation. A Schedule will outline the specific grant requirements.

The department must execute a grant agreement with you before we can make any payments. The department is not responsible for any of your expenditure until a grant agreement is executed. You must not spend your grant until the Activity Start Date (the date the grant agreement is executed). The Commonwealth may recover grant funds if there is a breach of the grant agreement.

Letter of Agreement

The Commonwealth Individualised Letter of Agreement comprises the Schedule and the corresponding grant conditions if applicable. Successful applicants are not required to sign the Letter of Agreement.

You will be advised of the date of commencement for your grant agreement when you are sent the Letter of Agreement. You must advise the department in writing prior to the specified date if you no longer wish to receive the grant.

10.2 Commonwealth Child Safe Framework

The Royal Commission into Institutional Responses to Child Sexual Abuse highlighted the need for organisations to adopt child safe practices including appropriate screening of staff, mandatory reporting and adoption of the National Principles for Child Safe Organisations. The Australian Government committed to a new Commonwealth-wide framework to protect children and young people it is responsible for – the Commonwealth Child Safe Framework (CCSF).

The Australian Government is considering appropriate ways to apply the requirements of the CCSF to grant recipients. A child safety clause is likely to be included in a grant agreement where the Commonwealth considers the grant is for:

- services directly to children, or
- activities that involve contact with children that is a usual part of, and more than incidental to, the grant activity.

A child safety clause may also be included in the grant agreement if the Commonwealth considers the grant activity involves children more broadly.

The successful applicant will be required to comply with all child safety obligations included in the grant agreement published with this grant opportunity or notified to the successful applicant prior to execution of the grant agreement. Irrespective of the child safety obligations in the grant agreement you must always comply with your state and territory legislative requirements for working with children and mandatory reporting.

10.3 How we pay the grant

The grant agreement will state the maximum grant amount to be paid. The department will not exceed the maximum grant amount under any circumstances. If you incur extra costs, you must meet them yourself.

The department will pay 100% of the grant on execution of the grant agreement.

10.4 Grant payments and GST

GST is out of scope for 2022–23 Volunteer Grants.

If you receive a grant, you should consider speaking to a tax advisor about the effect of receiving a grant before you enter into a grant agreement. You can also visit the [Australian Taxation Office website](#) for more information. The department does not provide advice on your particular taxation circumstances.

11. Announcement of grants

If successful, your grant will be listed on the GrantConnect website no later than 21 calendar days after the date of effect as required by section 5.3 of the [CGRGs](#).

12. How we monitor your grant activity

12.1 Keeping us informed

You must let the department know if anything is likely to affect your organisation's ability to spend the grant.

The department needs to know of any changes to your organisation or its business activities, particularly if it affects your ability to complete your grant, carry on business and pay debts due.

You must also inform the department of any changes to your:

- name
- addresses
- nominated contact details
- bank account details.

If you become aware of a breach of the terms and conditions under the grant agreement, you must contact the department immediately.

12.2 Reporting

You are required to keep appropriate records for up to 5 years to ensure that if your organisation is asked to report on the grant, it is able to do so.

12.3 Financial declaration

The department may ask you to provide a financial declaration. The financial declaration will verify that you spent the grant in accordance with the grant agreement.

If you are asked to report, the department will require you to provide proof of purchase. This can be done in the form of receipts. If receipts have been misplaced, you may complete a statutory declaration with details of specific items purchased including the date and amount of purchase.

Spending must be within the grant period

All funding must be spent by the grant agreement completion date, which is stated in the Letter of Agreement. You cannot use grant funding for purchases made before the commencement of the grant period or after the expiry of the grant period.

Fuel acquittal

There are 4 different options for the record keeping requirements for fuel costs. You can use any one of these options:

1. A log book to record all car trips which a person makes while doing volunteer work. This book would be proof of costs and should include details of each trip (date, from/to, reason for trip) and record the kilometres travelled (meter readings).
2. An account at a local service station and provide authority for volunteers to charge their approved fuel to the account. This would be paid direct by your organisation and account receipts would be sufficient proof.
3. Copies of actual fuel expenditure receipts.
4. Pre-paid petrol cards. Payment receipts would be sufficient proof of expenditure.
